

MAMMOTH LAKES, CALIFORNIA

The town of Mammoth Lakes sits high in the Eastern Sierra Nevada mountains of California. At its center is Mammoth Mountain Ski Area, consistently listed as one of North America's finest winter/summer recreation areas.

Mammoth Lakes and the Eastern Sierra boasts some of the world's finest hiking, fishing, mountain biking, bird watching, scenic beauty and national parks.

Mammoth has an impressive snowfall record averaging over 1,016 centimeters annually as well as Alpine skiing, snowboarding and Nordic skiing for all ability levels. Mix in our 300 days of sunshine a year, and you have a great blend of powder skiing with bluebird days.

Mammoth Lakes has 4,600 rental units, offering its guests a wide variety of lodging choices from the cozy atmosphere of a family operated hotel, inn or bed & breakfast, to the pampering services and amenities of a full-service resort.

Mammoth Lakes offers more than 70 restaurants in a wide range of inventive and traditional dining choices. Live music, from rock and reggae to folk, jazz and blues, is featured at pubs and dining establishments throughout town.

Mammoth Lakes also boasts a full year-round calendar of events and festivals that showcase the unique character that makes Mammoth Lakes special.

SUMMER ACTIVITIES

- Make Mammoth Lakes your home base as you explore the Ancient Bristlecone Pine Forest (oldest trees in the world), Yosemite National Park, Mono Lake, Bodie State Historic Park (the official ghost town of California), Devils Postpile National Monument, Reds Meadow, and Rainbow Falls.
- Hiking in Mammoth Lakes is extraordinary, with over 17 lakes within a 20-minute drive.
- Biking in Mammoth Lakes is a thrill with over 112 kilometers of single-track mountain biking and 32 kilometers of paved bike trail for your enjoyment.
- Fishing is world-class in our trout-stocked lakes, rivers and creeks.
- Take a scenic gondola ride to the top of Mammoth Mountain for 360° views of the Sierra Nevada mountains, and explore the summit's interpretive center.
- Other activities include helicopter tours, golf, rock climbing, boating, motocross and ATV trail rides, youth camps, running camps, kayaking and canoeing.

WINTER ACTIVITIES

- Two resorts, Mammoth Mountain and June Mountain, offer 1,619 hectares of terrain for beginner, intermediate and advanced skiers and snowboarders.
- Mammoth Lakes averages over 1,016 centimeters of powder annually, while still enjoying 300 days of sunshine a year.
- 241 kilometers of groomed cross country skiing and snowshoeing trails.
- 161 kilometers of snowmobiling trails (guided tours available).
