# ACTIVE

### ACTIVITY LEVEL 1

These adventures are built for relaxation.

### ACTIVITY LEVEL 2

Some light walking, uneven terrain and stairs are likely, but suitable for all fitness levels - these make up about 500 of our tours.

### ACTIVITY LEVEL 3

These moderate adventures may include a hike, bike ride, stair climb or walking tour.

### ACTIVITY LEVEL 4

This adventure is active with some strenuous activities such as trekking or high-altitude hikes.

### ACTIVITY LEVEL 5

This is for our high-adrenaline tours with heavy exercise, high altitudes, extensive treks or other intense activity.
